

# Arnold Avenue & Bronte Crescent

## Environmental Improvement Scheme

**Draft plans have now been drawn up for improvements to the Arnold Avenue & Bronte Crescent area. Proposals include:**

- Footpath resurfacing with new feature paving banding strips.
- New footpath vehicular crossovers for houses.
- Road resurfacing.
- The introduction of carriageway features - raising the height of key junctions within the estate to promote pedestrian safety.
- New front boundary walls and railings for the houses.
- Rear boundary improvements to the flats – to provide clear garden boundaries for each flat.
- New pathways leading to the flat entrances.
- Re-paint the railings to the bungalows.

**You are invited to drop-in sessions to discuss the plans at one of our consultation events. We will have a consultation caravan located at the following locations, dates and times below:**

Date	Time	Location
Thursday 6th June 2019	Between 2pm and 7pm	Bronte Crescent
Saturday 8th June 2019	Between 10:30am and 2:30pm	Bronte Crescent

The proposed plan will also be available online from Thursday 6th June 2019 - [www.cardiffneighbourhoodregeneration.co.uk](http://www.cardiffneighbourhoodregeneration.co.uk)

If you cannot attend the sessions, please contact us in the details below
